Dr. Theophilus Clark, b. Plainfield, Conn. bap. 1710, d. Mar 4, 1789, was son of Benjamin & Jane (Dean) Clark. Dr. Clark made will dated May 14, 1760, mentions only six sons: Nathaniel, Theophilus, Adam, Benjamin, Jonas, Stephen; no daus. No proof of ancestry of Benjamin who was one of first settlers of Plainfield 1702. Many indications lead to Joseph (1) of Medfield, ~~Mass~~ Can give information of Benjamin if wanted

I am searching desc. of Dr. Theophilus Clark. Would like to know if T.E.E. has evidence that might link the Benjamin asked with following family: Rufus Clark, b. Canterbury, Conn. 1762 (Nathaniel, Dr. Theophilus, Benjamin) signed church record at Middletown, Vt in 1783 with a Zilpha Clark whom I presume to be his wife. The 1790 Vt. census shows two sons in this family of whom I have no knowledge. Known children were Reuben b. 1788, John 1790; Thankful, Nathaniel, Jeremiah, Abner, and a family record gives a Lucius.

John Murray Clark

A very highly respected resident and pioneer, in the person of John Murray Clark, Esq., ^{peacefully} passed away at the advanced age of 87 years, being born in the Township of Ernestown, Sept. 5th, 1815. He enjoyed perfect health until within two months previous to his death. He was of U. E. Loyalist descent and was the last of twelve brothers, all living the allotted age save Edward who died in youth. Singular to relate, he died on the farm on which he was born, spending the greater period of his life as an agriculturist, excepting a few years of his early career he lived in Kingston, acting in the interests of one of the leading papers. He was married to Sarah E., daughter of Donald Fraser, having been married 56 years, and in Oct. '96 they held their golden wedding. To them were born five children, two of whom are dead. Elizabeth A., married to W. H. Hogle of St. Catharines; Alma, married to L. R. Badgley, architect, of Cleveland, Ohio; Mrs. N. B. Hamm, Bath; Edgerton M., on the homestead. Mr. Clark was a strong adherent of the Methodist Church, being a steward for over forty years. In politics he was a staunch conservative, but very liberal in his views.

Settlement of Upper Canada

Robert Clark, late of the Township of Ernest town, in the County of Addington, was born March 15, 1744, on Quaker Hill, Dutchess County, Province of New York. He learned the trade of carpenter and millwright, of a Mr. Woolly. He left his family and joined the British standard in the revolutionary war, was in Beneral Burgoyne's army, and was requested by the General that he and other Provincial volunteers, should leave the army and go to Canada, which place he reached after some weeks of great suffering and privation. The day after he left (October 17, 1777), General Burgoyne capitulated, and surrendered his arms to the American Generals Gates and Arnold. Robert Clark subsequently served two years in his Majesty's Provincial Regiment, called the Loyal Rangers, commanded by Major Edward Jessup, and in Captain Sabastian Jones' company, and was discharged on the 24th December, 1783. He owned two farms in Dutchess County, one of 100, the other of 150 acres, both of which were confiscated. He was employed by the government in 1782-3 to erect the Kingston mills, (then Cataraqui) preparatory to the settlement of the loyalists in that section of Upper Canada, at which time his family, consisting of his wife and three sons, arrived at Sorel in Lower Canada, where they all were afflicted with the small pox, and being entirely among strangers they were compelled to endure more than the usual amount of suffering incident to that disease, their natural protector being at a distance, and in the employ of the government, could not leave to administer to their necessity. In 1784, his family joined him at the mills, after having been separated by the vicissitudes of war for a space of seven years. In 1785 he removed with his family to lot No. 374, 1st concession Ernest town, in which year he was again employed by government to erect Napanee mills. He was appointed Justice of the Peace for the district of Mecklenburgh, in July 1788, and a captain in the militia in 1809, and died 17th December, 1823.

John C. Clark was married to Rachel Stover, and has a family of ten sons and three daughters.

L. B. O.

Robert 6.19.69. A millwright, prays for a grant of lot No. 16, conc 1 Tp. of Ernest Town where he wishes to erect a grist mill. The Committee are of opinion that under the eighth regulation for the conduct of the Lands Dept., the Surveyor for the Tp. of Ernest Town could not put the petitioner in possession of the lot prayed for without Your Excellency Lordship's special order for that purpose, but, if it shall please Your Excellency

Clark³

L. B. O. (cont'd)

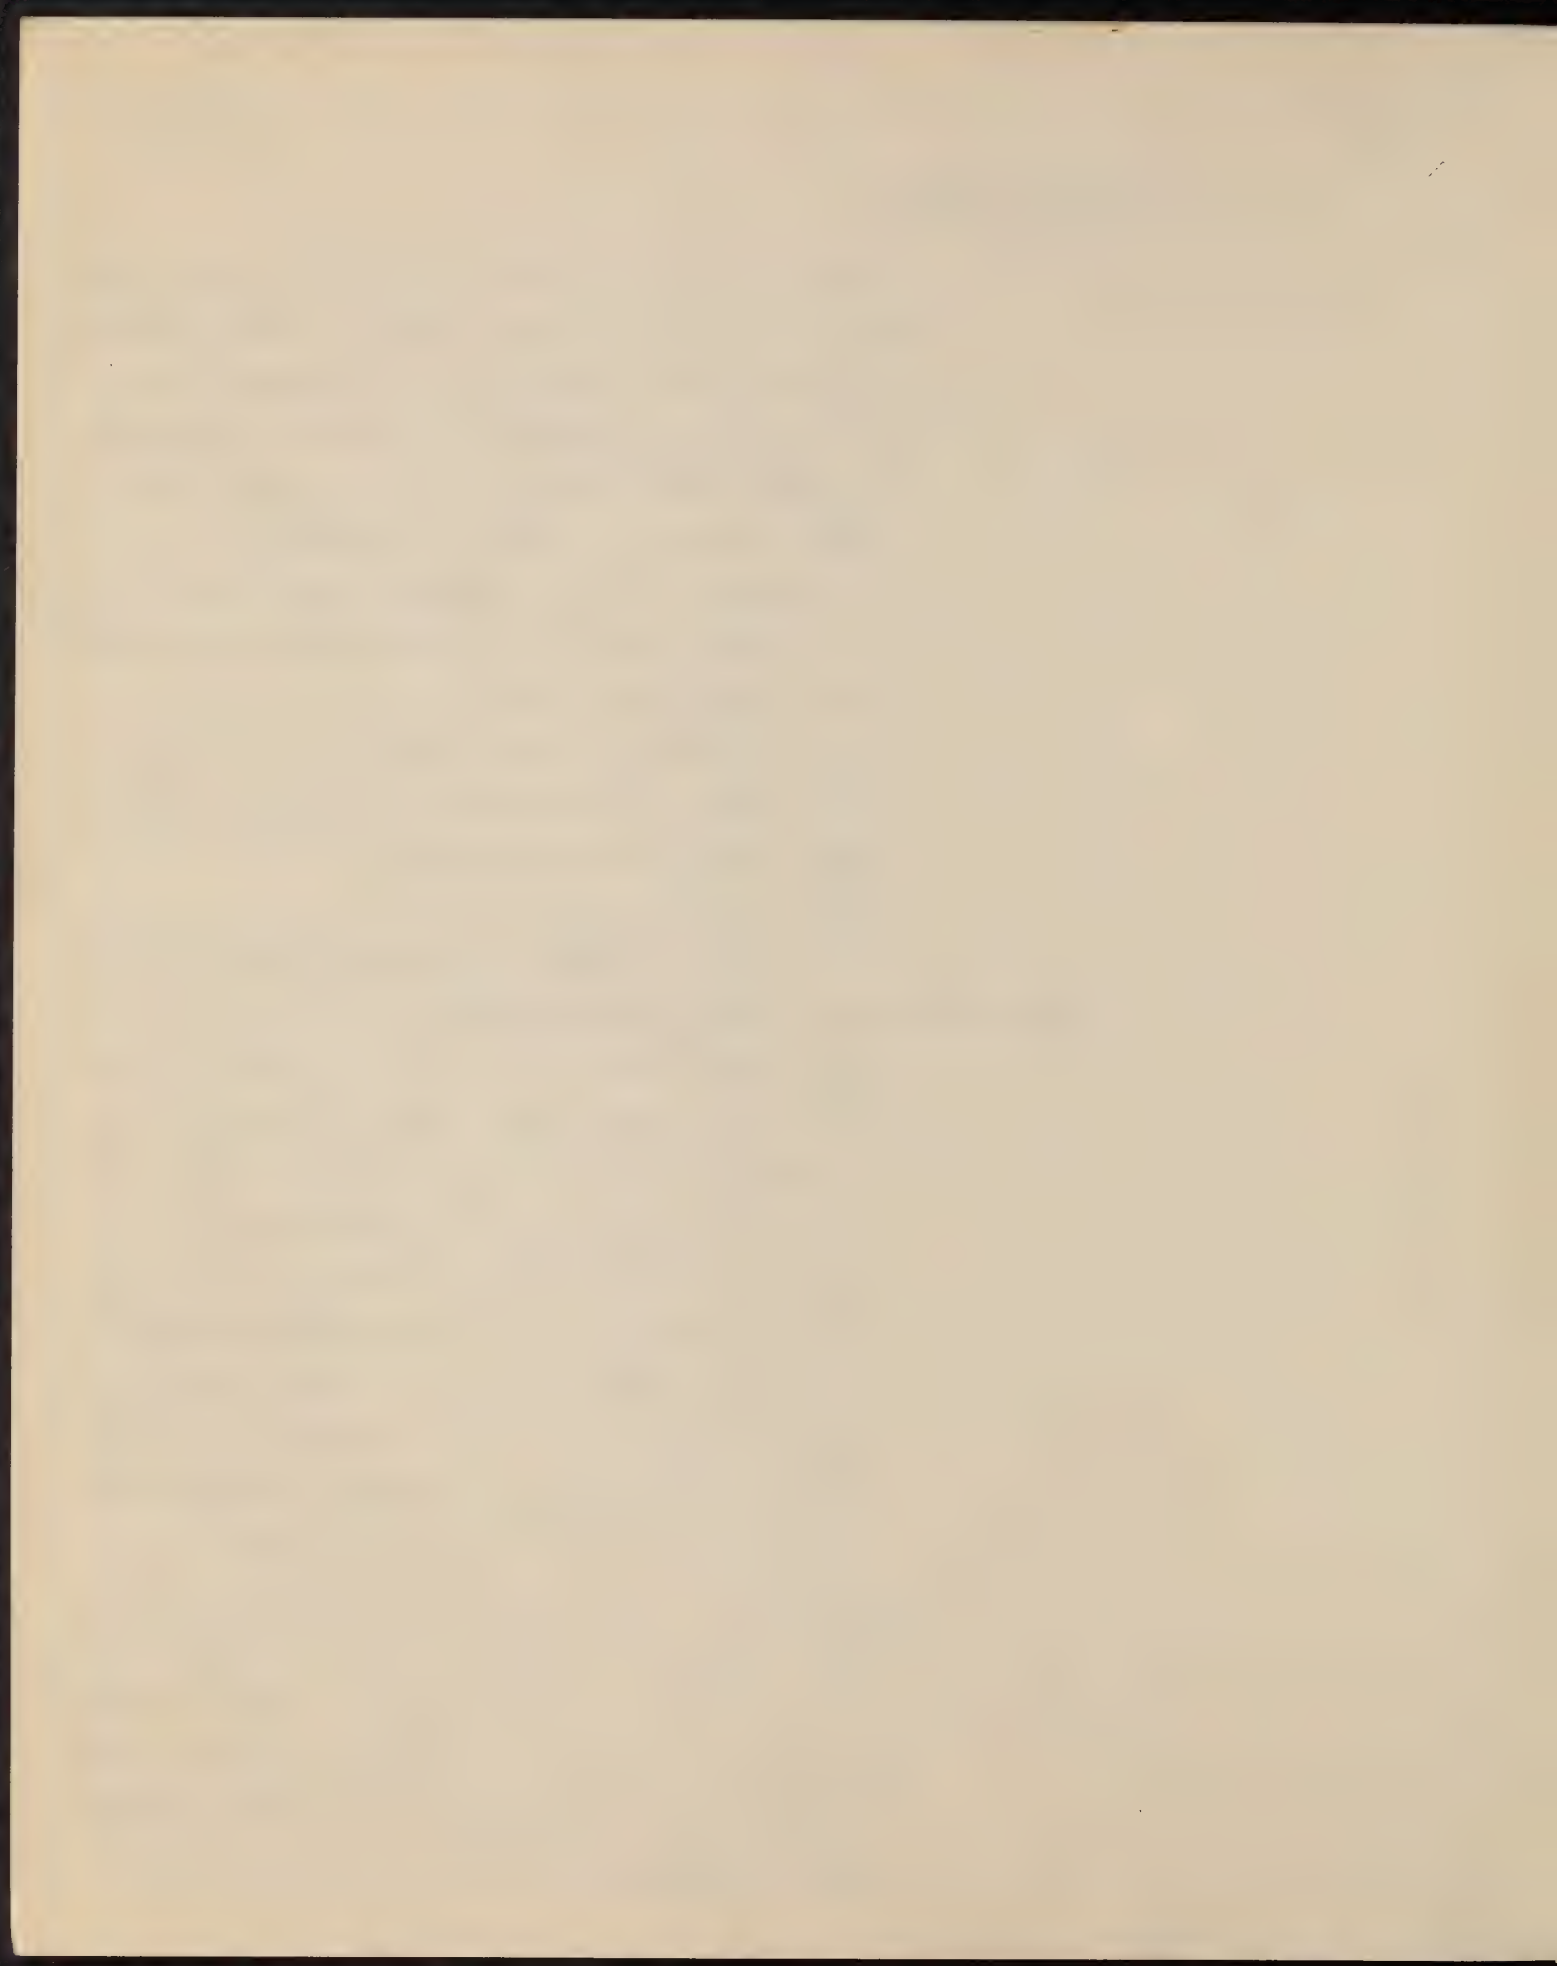

to favour the petitioner by granting his prayer, on condition that he shall construct a good grist-mill there immediately, they are of opinion that it would be of great benefit to the settlers around. The Committee understand that the petitioner is an industrious and a skillful mechanic; they are on that account inclined to recommend him, except Mr. Grant

Upon which it was ordered by His Excellency the Governor with the advice of the Board that the Surveyor-Gen. report the following surveys:

5. For Robert Clarke; lot No 16 consl. Ernest T.

Robt. 5.27.94 His petition stating that he has had a grant for lot No 16 in consl., Ernest-Town since the year 1789, with the use of the water for mills, &c. but has been prevented from erecting a grist-mill thereon by an old saw mill there belonging to Govt. Petitioner therefore humbly prays that the lions, &c. belonging to the aforesaid saw mill be granted to him & that he be allowed to take possession thereof. Ordered to be referred to the Receiver General.

" 6.7.94. Petition for leave to erect a mill, having been referred by Order of Council of the 27th May last to the Receiver Gen. for a report thereon, report is this day made by the Receiver Gen. that the mill site applied for belongs to the Crown, a saw mill

L.B.O (cont'd)

having been erected thereon at the public expense & since leased to Mr. Donald McDonald of Kingston. Consequently this petition is inadmissible.

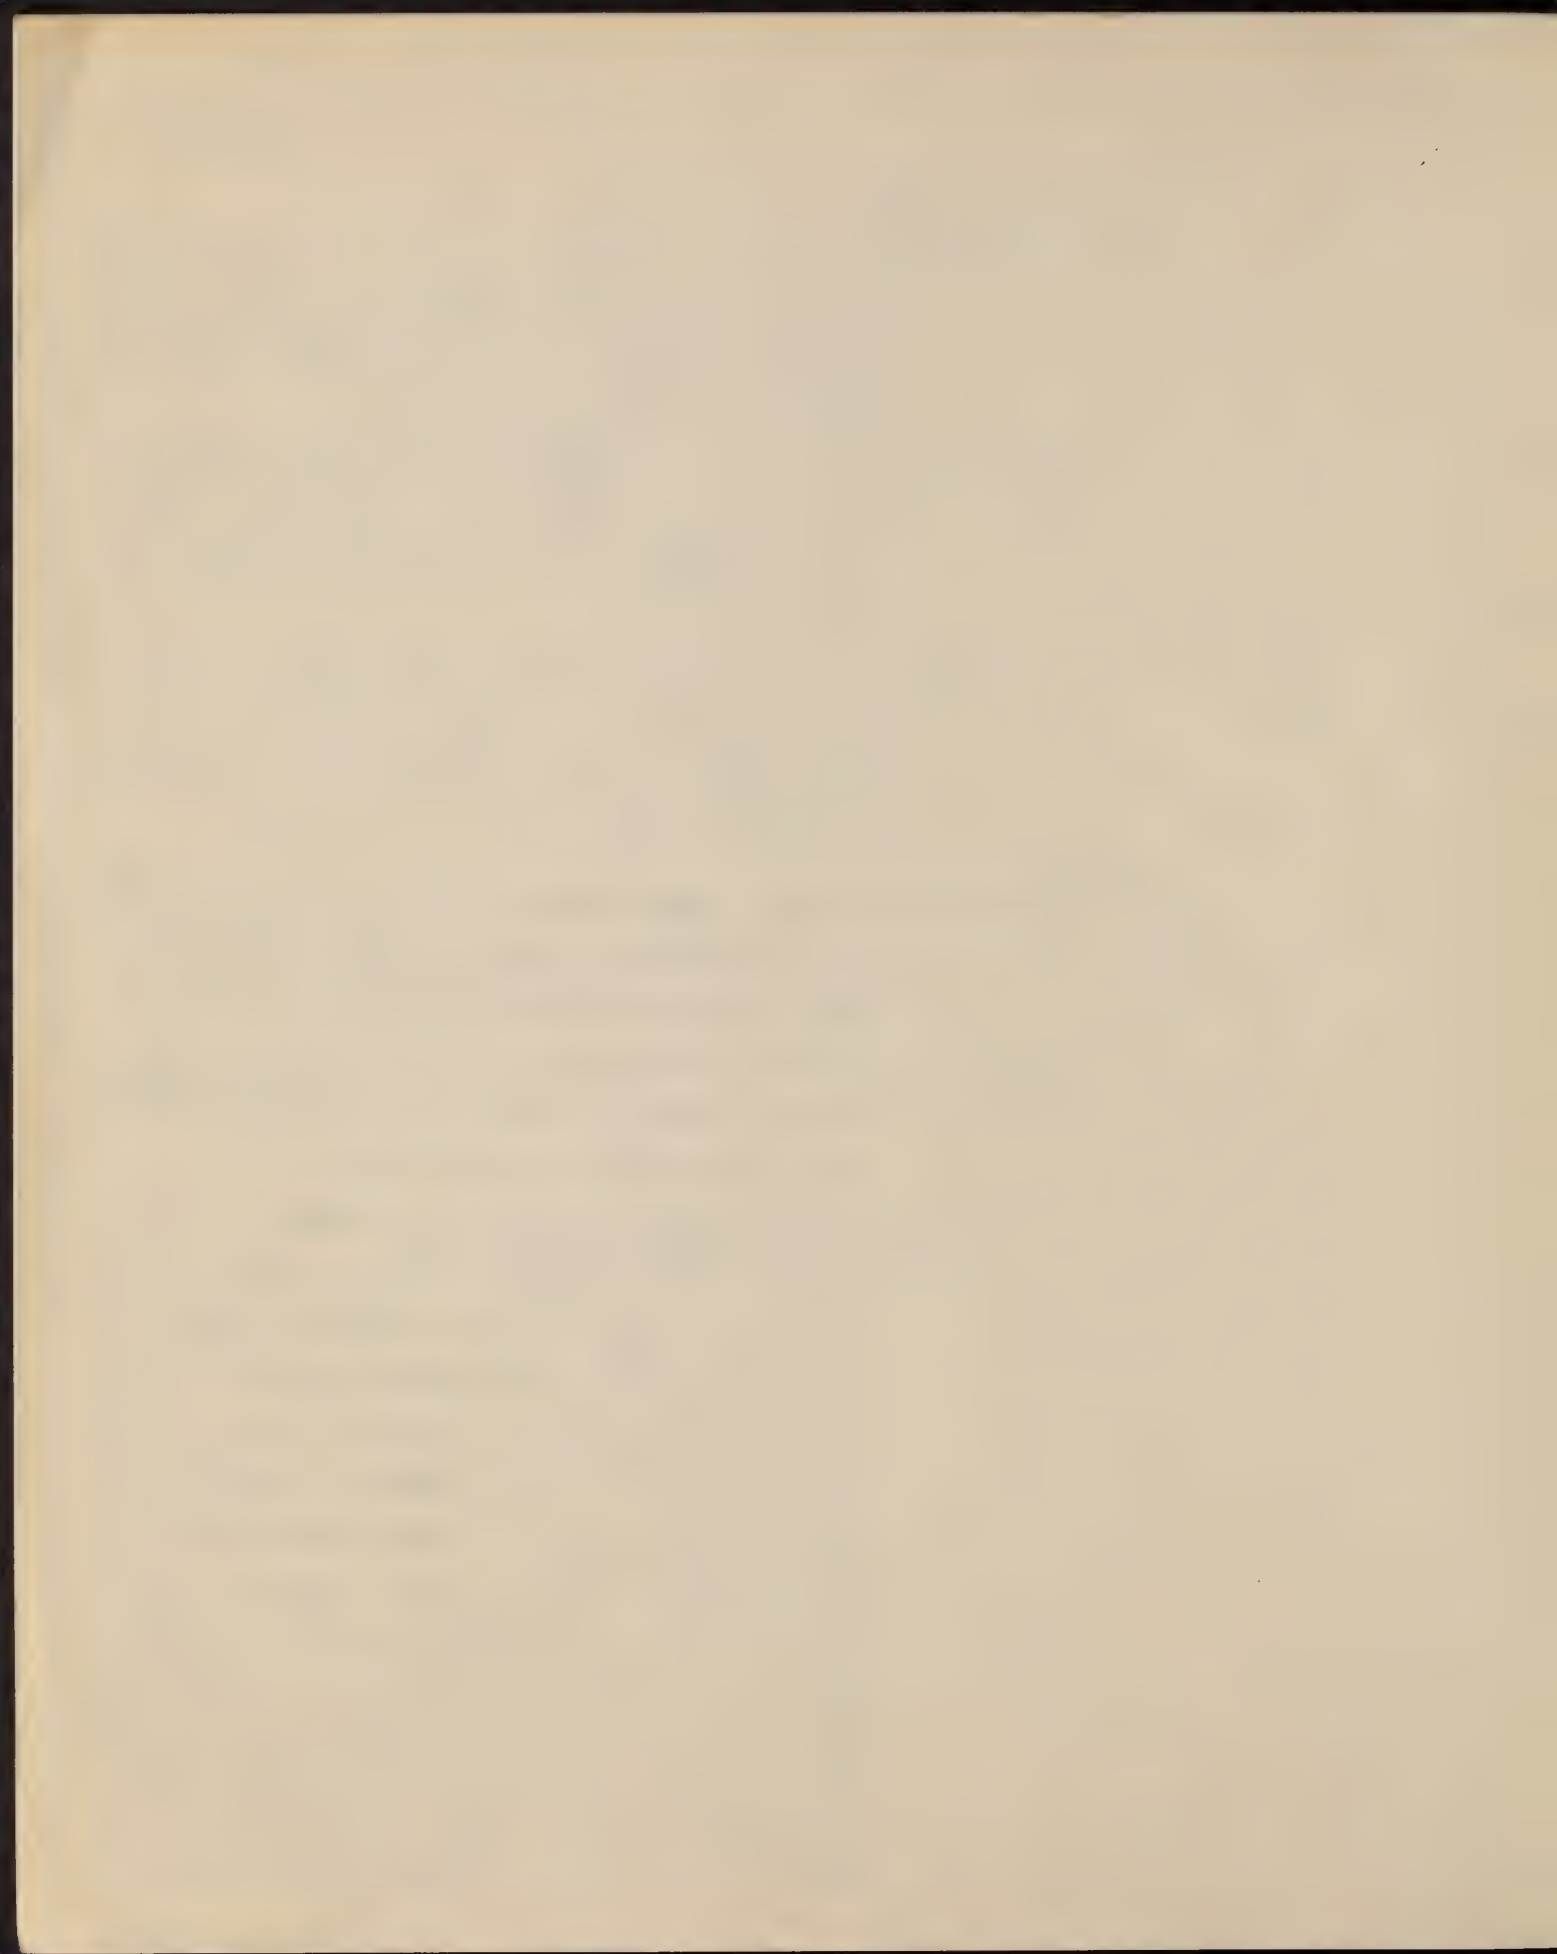

Robt. 7.15.94. Joshua Booth^{for} on his behalf: Petition praying for a mill seat, &c. Resolved to be inadmissible as the mill seat belongs to the Crown.

" 11.17.97. Praying lds. for himself, for his wife & for his children. Rec. 1200 ac. as a magistrate to cover all claims, including family lands.

James 12.29.88 Esq., appointed member of Land Bd. of Mecklenburg with Rev. Jas. Stuart, Neil McLean & Rich'd Cartwright, Jr.

Robert 2.28.98 Prays lds for his sons as U.E. Rec. 200 for eldest son. It does not appear that any of the others are of age.

" 3.31.91 Rich'd Cartwright, Jr. Esq., states in his petition that on Lot 18 cons 1. Ernest Town there is a mill-stand which is nearly in the center of the most populous part of the Dist. of Mecklenburg. That a saw-mill was sometime since thereon erected by Govt which stands idle eight months in the year for want of water. That water may be brought to it, but at an expense too heavy to be compensated by the profits from a saw-mill, he prays for a grant of that lot, & he will, if it shall be granted to him, oblige himself to

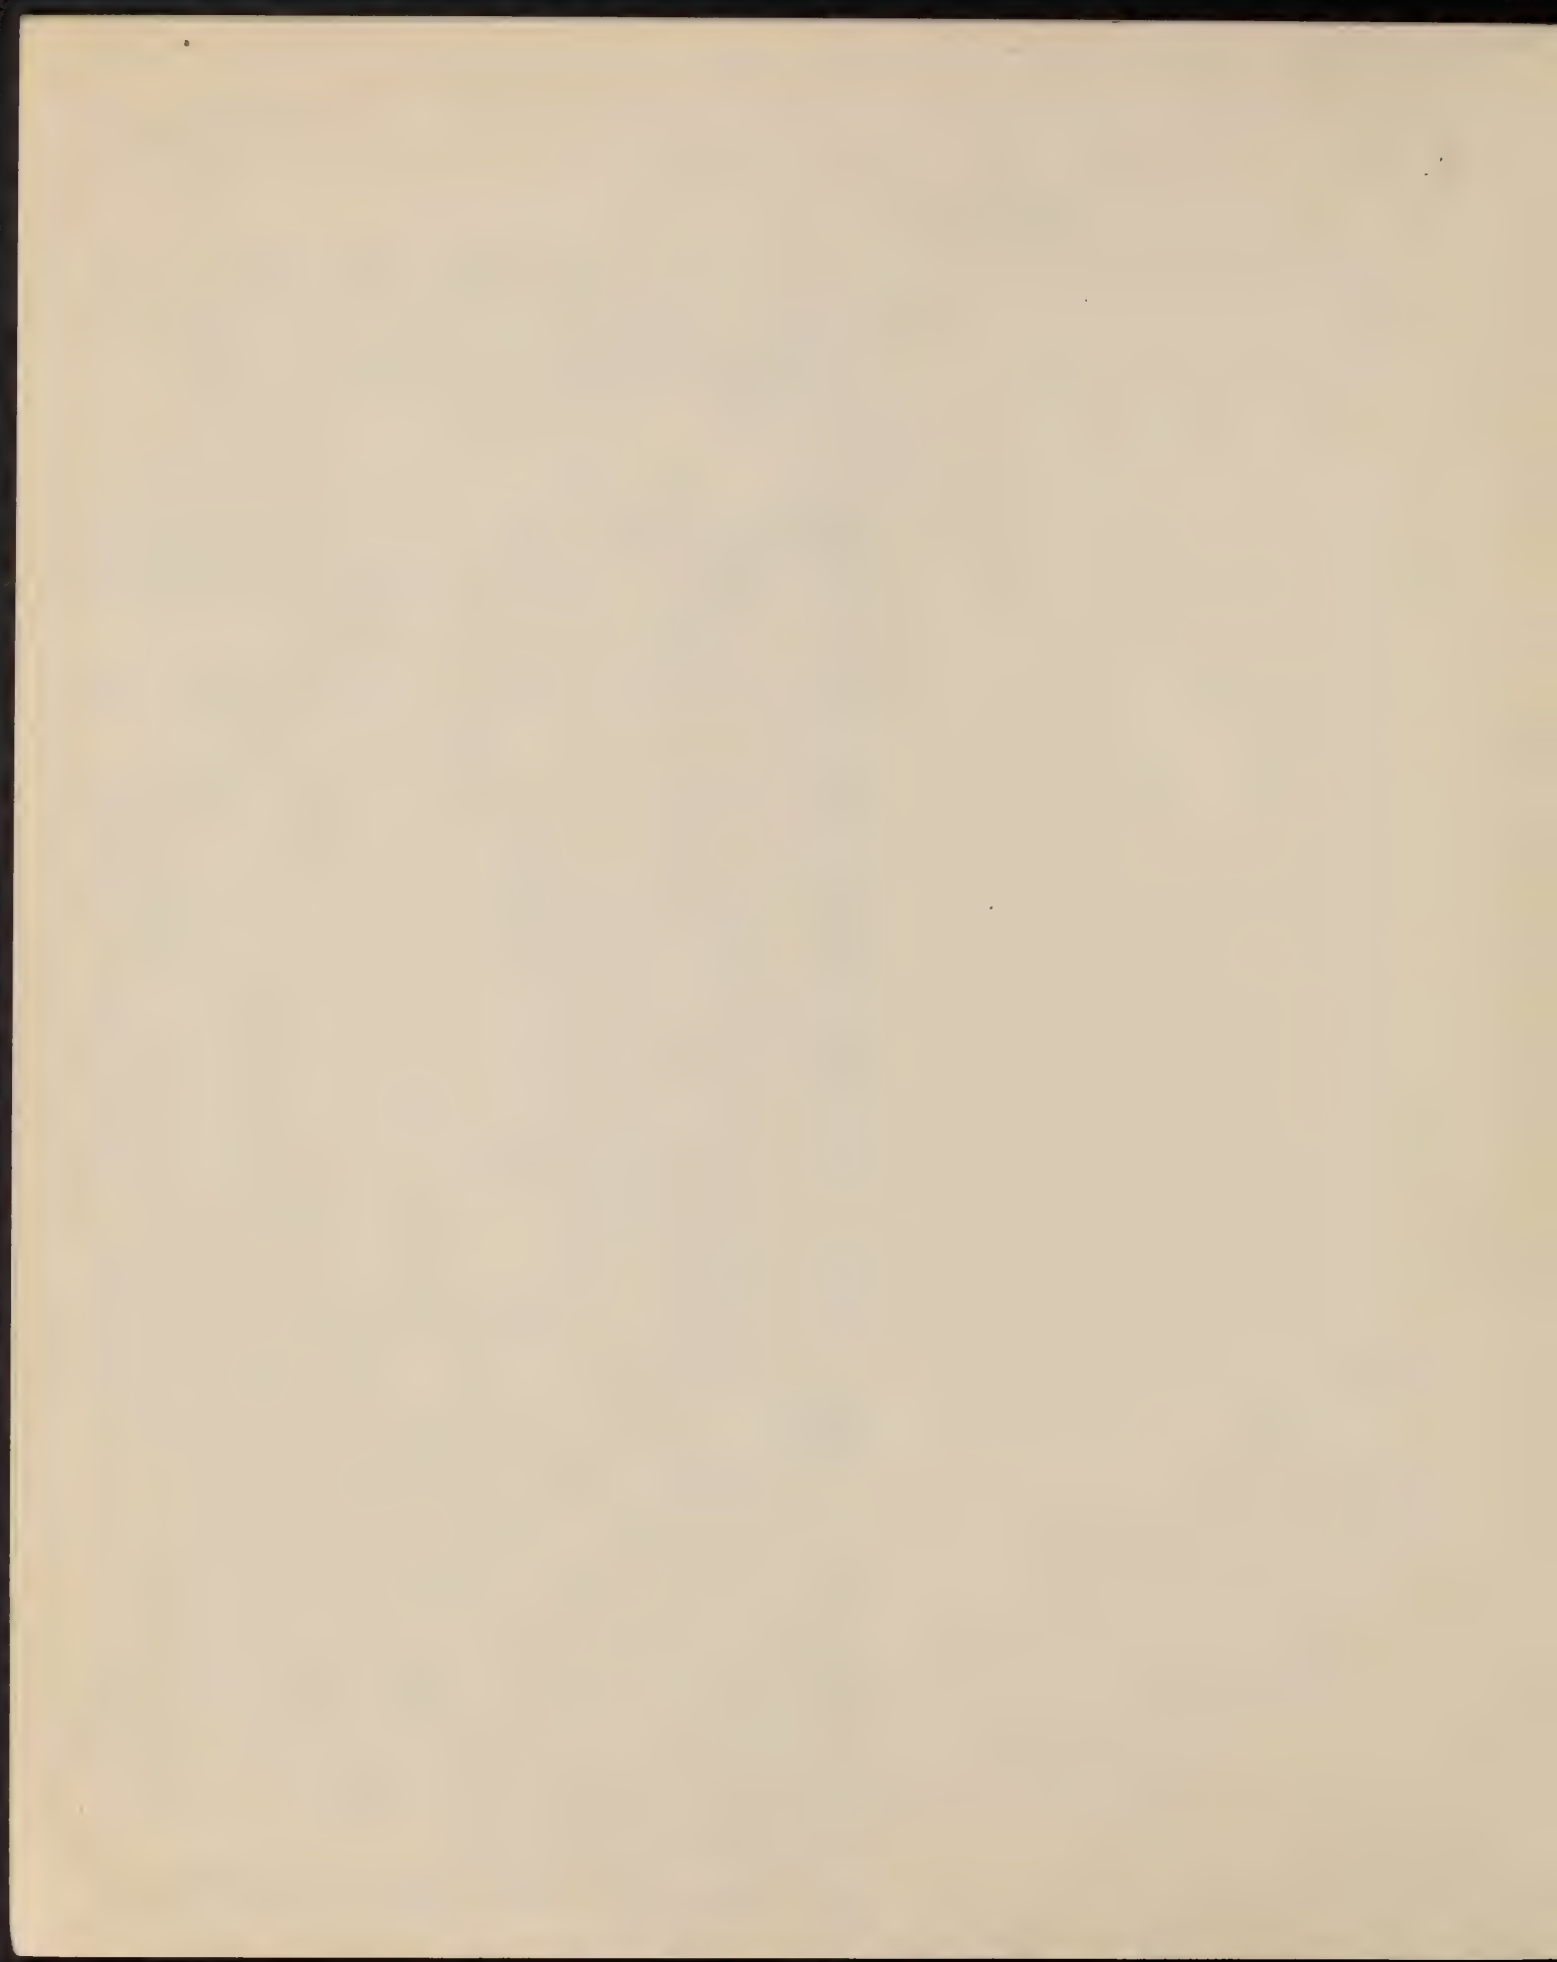

Clark⁵

L. B. O. (cont'd)

erect a grist-mill there. He will pay for the saw-mill by appairement should it be thought necessary to annex that condition.

The Committee beg leave to inform your Lordship ~~that~~ that in their report to Your Excellency of the 19th June, 1789, they stated that Robert (Richard) Clarke represented to be an industrious man & skilful millwright had applied for the same lot in Forest Town which is now applied for by Mr. Cantwright; but considering that under the 8th regulation of the 17th Feb., 1789, conveniences for mills are reserved to be disposed of by special order of the Governor-in-Council, they represented that if it should please your Lordship to favour Robert Clarke by a grant of that lot, they conceived that the grist mill, which he should be obliged to erect there, would be of great benefit to the settlers around. The Committee thereby now humbly conceive that if the Land Board of the District perceives no inconvenience to arise therefrom, and if it shall please Your Excellency to give the preference to Mr. Cantwright's petition, the grist-mill which he will undertake to build there would be of very great advantage to the settlers in that part of the district.

The saw-mill now standing on the lot

Clark⁶

applied for was selected by Government
for benefit of the first settlers of Forest Town
& may, if your lordship please, be continued
on the original footing which was to supply
the inhabitants around with plank & boards
at a reasonable rate.

Alex^r 7.6.96 If the petitioner has not received the family
lands he may be entitled to, he may receive
them on producing the required certificates.
